To Whom It May Concern:

From October 2008 to present, my family and I have fallen victims to harassment that have increased to threats and stalking. These incidents have been reported to North Brunswick Police Department New Jersey reports #8046531 and #9024817 as well as Denville Police Department New Jersey #2010-8464. Denville Police has referred the incidents to Special Agent Mcloud of the F.B.I. of the Newark, New Jersey Office.

The people suspected of causing these incidents of stalking and threats have gone on record with the Orange County Sheriff's Department of California, Docket filings in a Federal Court Case, as well as media interviews stating that private information was obtained on me through background checks run through your company or company affiliates.

Due to safety concerns, I need released all requests made to your company, affiliates and business aggregates made on myself and my husband, Frank Mario Ostella from September 2008 to October 2010.
